

## Welcome to Whitehill & Bordon and the surrounding area.

Churches in the area play a big role in creating community and provide a warm welcome to those visiting.

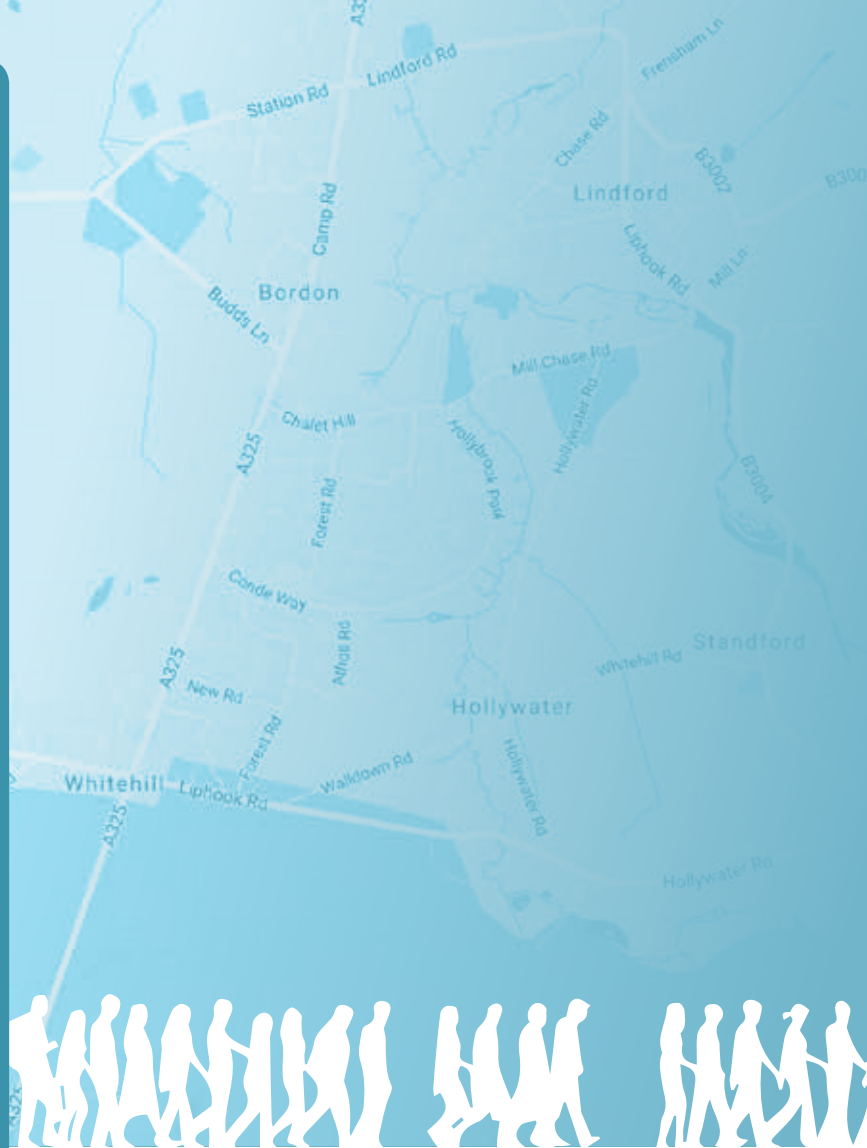

As well as providing space to pursue a life of faith through Jesus, churches are a great way to get to know people in the area.

This leaflet shows where each church meets and includes their website address so you can find specific details of service times and the various other programmes and ministries run by each church.

Our churches may have different 'styles', but we all bring the same good news: that God loves us and offers forgiveness and a new life through the death and resurrection of Jesus Christ. In committing ourselves to Him, we experience this new fullness of life.

In sharing this good news, the 'Gospel', we also try to serve our local community through children's and youth work, help for older people, personal and debt counselling, crisis management, a foodbank, and in many other ways.

**We look forward to meeting you!**
